MÉTHODE CAP CLASSIQUE

Celebrate what Matters

BLISS NECTAR ROSÉ NON VINTAGE

The quintessential bubbly for those who relish the slightly sweeter side of life, the all new Bliss Nectar Rosé NV is both blissful in name and nature.

Crafted in the traditional Méthode Cap Classique style, this exquisite Rosé style sparkling wine is superbly luscious in character yet refreshingly elegant and structured. The blend comprises two of the classic building block varietals for a traditionally authentic Cap Classique - the Pinot Noir lends richness and backbone to the aromatic taste sensation, while the Chardonnay contributes fruit intensity; sophistication and freshness.

This alluringly pink-hued rosé style Cap Classique delights with a seductive sweetness, enchanting smoothness and undeniable flair. The appealing strawberry aromas are complemented by hints of spiced peach and creamy raspberry, underscored with a subtle floral nuance. With its mouthwatering honeyed tones, the Bliss Nectar Rosé is beautiful, balanced and simply blissful; guaranteed to entice and impress at any gathering or get-together. The perfect partner when celebrating what matters.
