

GRAHAM BECK

MÉTHODE CAP CLASSIQUE

Celebrate what Matters

BLISS NECTAR NON VINTAGE

The quintessential bubbly for those who relish the slightly sweeter side of life, the Bliss Nectar NV is both blissful in name and nature.

Crafted in the traditional Méthode Cap Classique style it is simultaneously luscious in character yet refreshingly sophisticated and structured. The blend comprises two of the classic building block varietals for a traditionally authentic Cap Classique - the Pinot Noir lends richness and backbone to the aromatic taste sensation, while the Chardonnay contributes fruit intensity, finesse and freshness.

A special selection of liqueur d'expédition was added to produce this delectable bubbly, making for a sumptuous Cap Classique which has a feminine and flirtatious side, yet all the hallmarks of an outstandingly crafted, timeless bottle fermented sparkling wine.

The Bliss Nectar NV is an indulgent delight for the senses with its fresh notes of ripe citrus and stone fruit flavours complimented by enchanting hints of butterscotch, honey and praline. Guaranteed to entice and impress at any gathering or get-together, this unapologetically fun and utterly captivating Cap Classique. The perfect partner when celebrating what matters.
